Figure 1 shows two 10x10 grids representing the evolution of a 1D Ising spin chain. The left grid is labeled '0000' at the bottom and '1000' at the top. It contains four black squares (down spins) at positions (1,4), (2,4), (3,4), and (4,4). The right grid is labeled '0001' at the bottom and '0001' at the top. It contains four black squares at positions (1,4), (2,4), (3,4), and (4,5). The labels '0000' and '0001' are at the bottom of each grid, and '1000' and '0001' are at the top of each grid.
