

This figure is a topographic map of a coastal area, likely a bay or inlet. The map features a grid of points marked with blue crosses, arranged in a 5x5 pattern. The grid covers a rectangular area with a width of approximately 1000 units and a height of approximately 1000 units. The map includes contour lines in green and brown, indicating elevation. The coastline is visible on the right side of the map, with a small peninsula or headland. The map is labeled with coordinates along the top and bottom edges. The top edge labels are 503750.407, 504091.218, and 4734211.423. The bottom edge labels are 503750.407, 504091.218, and 4733979.913. The left edge labels are 4734211.423, 4734100, 4734000, and 4733900. The right edge labels are 4734211.423, 4734100, 4734000, and 4733900. The map also includes a scale bar at the bottom right, indicating distances of 0, 100, and 200 units.
