

The image displays a topographic map of a mountainous region. The map features a grid of points marked with blue crosses, overlaid on a background of contour lines. The contour lines are color-coded: orange for higher elevations and green for lower elevations. The map includes a coordinate grid with labels along the top and left edges. The top edge labels are 492513.776, 492550, 492585, 492620, 492655, 492690, 492725, 492760, 492795, and 492830. The left edge labels are 4747450, 4747500, 4747550, and 4747600. The map shows a series of peaks and valleys, with contour lines indicating elevation changes. A prominent peak is visible on the right side of the map, with contour lines reaching up to 600.00. The grid of points is distributed across the map, with a higher density in the mountainous area.
